To Whom It May Concern

Owen-Ames-Kimball Co. is proud of the relationship that we have enjoyed with Burggrabe Masonry since 1990. Throughout this period they have been involved in projects ranging from new and renovated educational facilities to multi-story structures in downtown Grand Rapids.

We find Burggrabe Masonry to be competent, attentive to the needs of the project, and able to deliver a product with the highest level of quality. Because of these attributes they remain on Owen-Ames-Kimball Co.'s preferred bidders list and are pre-qualified for projects valued up to \$5 million.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank M. Bartoszek".
